

## How to register your kitten(s) with TICA!

### **ONLINE REGISTRY OPTION:**

You can register your kitten online by creating an account on TICA's TFMS online system.

**Step #1:** Go online to: <https://tfms.tica.org>

**Step #2:** Click on "This Is My First Time to TFMS".

**Step #3:** From there on, fill in all the requested fields to create your TFMS account. Once your account is created, TICA will send a confirmation email and you will be able to log into your new account using the username and password you create.

**Step #4:** Once you are logged into your new TFMS account, click on the section that says "Register a Cat".

**Step #5:** Have the breeder slip handy that you were given when you got your kitten which will read, "Breeder Slip", as you will need this.

**Step #6:** Click on the hyperlink that says, "REGISTER A CAT USING A BREEDER SLIP".

**Step #7:** Once you click that link, follow the online instructions using the breeder slip to fill in the required fields. You will be paying a one time fee of \$12.00 online using a PayPal account or a credit card.

**\*Note:** There is a link with a video watch on how to register a cat from a Breeder Slip.

The link to that YouTube video is: <https://youtu.be/xqldx1SGcyM>

### **MAIL IN REGISTRY OPTION:**

You can register your kitten by mail, follow these steps to do so:

**Step #1:** Complete your "Breeder Slip" by hand with a pen (I will have highlighted the areas that require your attention for your convenience).

**Step #2:** Write a check or money order payable to The International Cat Association, INC., in the amount of \$12.00 for non-members (members pay \$10.00).

**Step #3:** Once your check and breeder slip are completed, place them in a **postage paid** envelope, and mail to:

The International Cat Association, INC

P.O. Box 2684

Harlingen, TX 78551

**\*TICA** will either email or mail you a completed copy of your kittens TICA certificate of ownership establishing you as the legal owner of your kitten within 4-6 weeks.
